

PV74 - Skyview Safety Helmet

Collection: Head Protection

Range: PPE

Materials: ABS, Polycarbonate

Product information

The Skyview Helmet is uniquely made from two types of materials: ABS shell and polycarbonate peak. This innovative mix offers all the benefits of a premium ABS shell helmet with the innovative feature of a transparent smoke peak, offering improved visibility and protection from UV rays. Modern and different, this style is especially designed for outdoor workers. It features a comfortable 6 points textile harness, wheel ratchet adjustment and 4 points chin strap for a comfortable fit.

Standards

EN 397 (-30°C / +50°C, LD, 440V a.c.)
EN 50365 Class:0
