

A146 - Arctic Winter Glove

Collection: Thermal Protection Gloves

Range: Gloves

Materials: Nylon, Acrylic

Inner Pack: 12

Outer Carton: 144

Product information

The latest development in hand protection. Twin liner traps in heat. A 3/4 micro foam nitrile dipping offers full protection to the fingers and improved liquid protection. Open back for breathability.

Thermal Protection Gloves

When cold thermal hazards are present, the hands' motor skills can be greatly reduced, this leads to increased risk of accidents and injury. Specially designed thermal protective gloves are available to combat these dangers in hazardous environments.

Gloves

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
