

FP19 - Portwest 4 Point Comfort Plus Harness

Collection: Harnesses

Range: Fall Protection

Materials: Polyester Webbing, Aluminium, Alloy Steel, Heat Treated

Product information

Ergonomically designed with the users comfort in mind, the 4 Point Comfort Plus Harness has been engineered from lightweight aluminium, optimising strength and durability. It provides 4 points of attachment, one rear D ring, two side D rings and an upper and lower chest D ring. Quick release buckles for easy fitting. Ideal for work positioning or suspension work.

Standards

EN 813
EN 1497
EN 361
EN 358

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
